Patient Testimonials

“We absolutely love NOVA Pediatrics! We’ve been coming here for six years and I wouldn’t take my kids anywhere else. We love the care and attention given to all three of my children, often on short notice. The care and respect from the front desk staff, administrative staff, nurses and providers is exceptional. They’re supportive, professional, and in-tune with my needs and concerns. They listen and have fabulous bedside manners. We are so fortunate to be a part of a pediatric practice in which we can call and be seen immediately and be taken care of.” –**Shari**

“In ten years I haven’t been dissatisfied a single time. I wouldn’t take my children anywhere else. Everyone is wonderful at this practice. The entire staff has always been unbelievable. If I’m concerned about anything, they accommodate to my needs and make my family a priority. The providers are thorough with any questions I may have regarding my child’s health. My kids are not afraid to go to the doctors.” –**Stephanie**

“Morgan has been a patient since birth and we have always had positive experiences here. I am especially happy that Morgan can continue coming here after the age of 18. I have always been happy with the nurses and the doctors here.” – **Laura**

“I have been with NOVA Pediatrics since 2008. I like the friendly staff and the dedicated doctors who show kindness and empathy each and every visit. The environment is clean

and comfortable, spacious and well it. I like the scheduling system where I always get an appointment even on short notice. Dr. Meyer is my favorite.” – **Angela**
